

Year 1 and 2
Brain Builder Task 5

Due: Monday 25th November 2019

Learning Objective: To recognise some changes that happen during autumn.

Task: Find out about the changes that happen during the season of autumn.

Ideas: You could go on an autumn walk and record what you see. You could research animals which hibernate during autumn or the way plants change. You could find out about what happens to the hours of daylight and the weather during autumn.
